Forecast For Wales
Issued by Met Office Exeter
at 0400 on Saturday 27 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mild and sunny days, cold and frosty nights.

Today:
Any early fog patches will soon clear to give a fine day and sunny day. Patchy cloud will develop during the afternoon but remaining dry. Feeling mild with light winds. Maximum temperature 12 deg C (54 deg F).

Tonight:
A dry night with plenty of clear skies and light winds. Feeling chilly with frost in rural spots and some localised fog patches. Minimum temperature 0 deg C (32 deg F).

Sunday:
Any fog patches may linger for a time, but eventually clear to leave a bright day with plenty of sunshine. Rather mild with light winds. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Monday and Tuesday will be largely dry but cloudy at times with sunny spells. Scattered showers likely on Wednesday. Light winds with overnight frosts and fog patches throughout.
